29 th & 30 th	Mitsubishi GX-WORKS3 Programming	£495

October

6 th & 7 th	Mitsubishi IEC PLC Programming	£495
13 th & 14 th	Mitsubishi FX Advanced	£495
20 th & 21 st	Mitsubishi Q-Series Advanced	£495
27 th	Red Lion Crimson Software	£275

November

3 rd & 4 th	Mitsubishi FX Introduction	£495
10 th & 11 th	Mitsubishi Q-Series Introduction	£495
17 th & 18 th	Mitsubishi GX-WORKS3 Programming	£495
24 th	Mitsubishi GOT HMI	£295

December

1 st & 2 nd	Mitsubishi FX Advanced	£495
8 th & 9 th	Mitsubishi Q-Series Advanced	£495
15 th	Red Lion Crimson Software	£275

LC Automation training courses are great value, including lunch and training notes.

Please note; FX and Q-Series PLC courses use GXWorks2 in Simple Mode, IEC Developer courses use GXWorks2 in Structure Mode and GOT HMI training uses GT Designer3. All courses are held at our Blackburn office, although venue can be changed to Chippenham (for 2 or more delegates only).

Call LC Automation on 01254 685900 for details
