

IE3 Motors from £71.60

TEC have become one of the largest suppliers of low-voltage electric motors in the UK, with an enviable reputation for high quality, reliable products and great value prices.

This is just a sample of the TEC motor range, so give us a call on 01254 685900 if you need something a bit more specialised, or can't find what you are looking for. Our sales team and Technical Support Engineers will be happy to help.

2 Pole 3000rpm @ 50Hz

Output	Frame Size	Flange mounted (B5)		Foot mounted (B3)	
		Order Code	Our Price	Order Code	Our Price

7.5kW	132M1-4	7.543TECAB3-IE3	£301.40	7.543TECAB5-IE3	£319.48

Features Include

- Motor class IE3
- Conforms to IEC 60034, IEC 60038 and IEC 60072
- Output rate 0.75 to 7.5kW
- 50 or 60Hz supply
- Supply 230 to 400V a.c. up to 4kW
400 to 690V a.c. 4kW and above
- IP55 protection rating
- Fitted with PTC thermistors
- Insulation class F
- Foot (B3) or Flange (B5) mounting
- Paint colour RAL 7024
- Ambient temperature -20 to +40°C
