

# IE3 Motors from £76.16

TEC have become one of the largest suppliers of low-voltage electric motors in the UK, with an enviable reputation for high quality, reliable products, with great value prices and short lead times.

This is just a sample of the TEC motor range, so give us a call on 01254 685900 if you need something a bit more specialised, or can't find what you are looking for. Our sales team and Technical Support Engineers will be happy to help.

## 2 Pole 3000rpm @ 50Hz

| Output | Frame Size | Foot mounted (B3) |           | Flange mounted (B5) |           |

| 4.0kW  | 112M1-4    | 4.043TECAB3-IE3   | £208.19   | 4.043TECAB5-IE3     | £221.32   |
| 5.5kW  | 132S-4     | 5.543TECAB3-IE3   | £282.47   | 5.543TECAB5-IE3     | £299.41   |
| 7.5kW  | 132M1-4    | 7.543TECAB3-IE3   | £320.60   | 7.543TECAB5-IE3     | £339.84   |

### Features Include

- Motor class IE3
- Conforms to IEC 60034, IEC 60038 and IEC 60072
- Output rate 0.75 to 7.5kW
- 50 or 60Hz supply
- Supply 230 to 400V a.c. up to 4kW  
400 to 690V a.c. 4kW and above
- IP55 protection rating
- Fitted with PTC thermistors
- Insulation class F
- Foot (B3) or Flange (B5) mounting
- Paint colour RAL 7024
- Ambient temperature -20 to +40°C
